# NEW WESTMINSTER MONTESSORI SOCIETY

---

**RAISING LEADERS OF THE FUTURE**

---

This is an important notice to all Montessori families. The New Westminster Montessori Society will be holding its Annual General meeting on Tuesday, September 14, 2021. We need your support. Volunteers are needed to keep the Montessori Society running in the future. We will be electing new Board members all of whom are parent volunteers, that have children enrolled in the Montessori Program of Choice. The Society cannot run without its very important volunteers. Our current board consists of our President, Vice President, Treasurer, Purchaser and Secretary. Some of our current Board Members will be moving on and we will be looking for new volunteers to take on these roles. We encourage you to get involved. Without you the Montessori Society will not be able to continue. People with accounting or bookkeeping experience, people who are familiar with technology and people who are interested in helping to shape their child's future are needed and welcome.

### **What is the New Westminster Montessori Society?**

We are parent volunteers and our purpose is to provide additional funding to promote the Montessori approach to education and child development within the New Westminster School District. We are a non-profit society and we're hoping you will join us.
