### **Reminder: Be Nut-Aware with snacks and lunches!**

- We have a number of members of the Skwo:wech community who have serious, life-threatening peanut and nut allergies. This means that any contact with peanut-products or nut-products in the classroom, even in trace amounts, may endanger someone's life. We are requesting the assistance of all our families in keeping our school a peanut and nut aware environment by packing snacks and lunches that do NOT contain nuts or nut oils. We appreciate your cooperation in this matter.
