

Bulletin Updates

Dear Skwo:wech Families,

We are delighted to let you know that our students have been working very enthusiastically in music class with Ms. Pelka to create their own fun adaptation of the delightful story *The Mitten* by Jan Brett. We are happy to invite 2 guests per family to our afternoon performances, Tuesday December 6th at 1:30 **or** Wednesday December 7th at 1:30. In order to comply with capacity regulations in our gym (and so that everyone has a good view of the performers) **we are inviting families with last names A-L on Tuesday, December 6th at 1:10 and families with last names M-Z on Wednesday December 7th at 1:30.** Today, you will receive a notice about the performance in your child's planner. Please fill out the form indicating if you will be able to attend and if you would like one or two tickets. Please ensure that you returned your completed request form by Thursday, November 24th. While the tickets are at no cost, we will be gratefully accepting donations at the door! Funds collected will be going to our music program and to purchase books for our library to support the rebuilding of our refreshed book collection.

If you did not receive a concert information notice on Friday, please contact the office or your child's teacher. Unfortunately, due to photography limitations, we will not be videoing the performance in full.

We look forward to seeing you and sharing this delightful event!
