Share the Warmth

As the winter season approaches, we are seeking gently used, warm winter clothes that your children may have outgrown. Coats, pants, hats, or gloves- those items tucked away but still in great condition that can bring immense comfort to our children. Your donation of gently used items will directly impact the lives of children, ensuring they stay cozy playing outdoors. Every contribution, no matter how small, makes a big difference.

Drop off your donation at the StrongStart room. Thank you for your generosity and support.

2024-2025 Registration

It's time to register new students for the 2024-2025 school year! Please read the following information carefully.

NOTE: You only need to register your child if they are not already attending school in the district. You can safely ignore this message if your child is a student in a district school or if they are transitioning between elementary, middle, or high school.

New registrations for the 2024-2025 school year will open on **November 6, 2024** and close on **January 26, 2024**. As long as you register before **January 26, 2024**, the day you register will not affect your chances of getting into your catchment school.

1. Although we do our best to place new students at their preferred schools, it is regrettably not always possible. Our district has significant capacity challenges because of limited space in schools and a growing student population.
2. If the number of requests for a catchment exceeds the number of available spots, the district reserves the right to use a lottery system to determine placements.
3. The district will confirm all enrollment requests by the end of **March 2024**.

For more information, [learn more about capacity status at our schools](#).

1. Book a 10-minute appointment with our Registration Team.

The New Westminster Schools team

We are always excited to welcome new families to the District. Here are the things you need to know to ensure your student is enrolled with the best placement to support their needs.

Key dates for regular registration:

	In-catchment applications	Transfer requests & Out-of-district applications
Regular registration opens	November 6, 2023	February 5, 2024
Regular registration closes	January 26, 2024	February 23, 2024
Placement offers	March 29, 2024	June 14, 2024

Please note: our District is facing significant capacity challenges, due to growing enrollment. Decisions about the 2024–25 school year are based on enrollment demands identified within the regular registration window. Enrollment applications received outside of this window will be placed within the district but may not be possible at the catchment or preferred school requested, as some schools may be deemed as being at full capacity at certain grades, or in some limited cases, for the full school. All placements follow the rules outlined in [Administrative Procedure 300](#).
