## Body Science Workshops - Saleema Noon Sexual Health Educator

We are delighted to let you know that our PAC has very generously funded having Body Science Workshops for our students from K-5. In advance of our student sessions, Saleema Noon Sexual Health educators will be providing a parent information event via Zoom on Tuesday April 2<sup>nd</sup> (please see the Zoom link below) where they will be sharing information about how to talk in an age-appropriate manner to your children about sexual and body health and providing an overview of the content that will be covered with the children.

Body and sexual health is part of our Physical and Health education curriculum in our province. Following the parent session, the Saleema Noon Body health educators will be working directly with our students from K-5 on April 4<sup>th</sup> and 5<sup>th</sup>, to help them understand their bodies, how they change and what those changes mean. Please circle the date and join the parent information night, where all of your curious questions about this important content will be answered. We will be sharing more detailed information about these events in coming communications.
